

Dear colleagues,

Integration of Balkan countries to EPOS ERIC is very important for the complexity of the EPOS RI, for exchange of scientific data and international cooperation. Upon the successful conclusion of RI project in Slovenia RI-SI-EPOS in 2021, the **Karst Research Institute ZRC SAZU** is cordially inviting you to attend:

The International Info-day/online event

EPOS ERIC and EPOS SP – Integration of Balkan countries

December 9th, 2021, Slovenia

Online event

Upon the Slovenian Presidency of the Council of the EU in 2021, and following the “ESFRI Days 2021” in Ljubljana (6-8 December 2021) the representatives of EPOS ERIC and EPOS SP will present the scientific progress and challenges within their respective research areas.

The language of the meeting is English. Scientific community and governmental representatives are invited.

Thank you in advance for your participation and valuable contribution at the meeting, we are already looking forward to meeting you via online platform.
