EPOS User Feedback Group (UFG) webinar, 06 March 2019

Date:
Tuesday, March 5, 2019 - 13:15

During the first EPOS User Feedback Group (UFG) meeting that will be arranged remotely the 6th and 7th March 2019, the EPOS Thematic Core Services (TCS) WP leaders and their nominees as representative use-case persons (User Feedback Group) meet the Integrated Core Services (ICS) team.

On March the 5th, 2019 14.00-16.00 (CET) there will be organised a webinar in which the aims and structure of EPOS, as well as the whole procedure of collection of feedbacks, will be explained by the ICS team to UFG members. The webinar programme includes:

- Introduction of EPOS
- Explanation of the purpose of the UFG
- Architecture of EPOS Integrated Core Services
- Demo of ICS Graphical User Interface (GUI) - guided tour using simple Scientific User Story
- Plan for new development
- Discussion

On Thursday the 7th of March the EPOS User Feedback Group will meet and continue discussions in a video teleconference.
