GEO Week 2019 & Canberra Ministerial Summit, in Canberra (Australia), 4-9 November 2019

Date:
Wednesday, May 29, 2019 - 11:00

In November 2019 (4-9), Ministers from GEO's 105 Member governments, business leaders, heads of international non-profits and passionate experts will meet in Canberra, Australia for GEO Week 2019 and the GEO Ministerial Summit.

The week’s events will focus on ensuring data about our planet becomes a core input to our strategic economic decision making and our day-to-day business, environmental and development decisions.

The important deadlines for GEO Week 2019, the GEO-XVI Plenary and the Canberra Ministerial Summit are:

- Inputs to Draft Ministerial Declaration by the 31st of May 2019.
- Submissions of GEO-XVI Plenary Delegation Lists with an earlier than usual deadline of 30 June 2019. The Australian Visa application can take up to 4 months, therefore it is important that delegations are registered in a timely fashion.
- Expressions of interest for side events and exhibit by completing the applications forms available on the GEO Website by the 15th of June 2019.

More information in the GEO website.
