EPOS IT hackathon, 9-11 May 2017 in Bergen

Date: 
Wednesday, May 10, 2017 - 10:45 

The EPOS IT team (WP6 & WP7) meeting is organized in Bergen, Norway, from the 9th to the 11th of May 2017 at the University of Bergen (UiB). The goals of the meeting are to share results and issues: such as the current state of TCS metadata, content mapped relative to CERIF and convertor progress, to test and discuss the EPOS Demonstrator and make plans for TCS metadata implementation, as well as to discuss interactions and further plans with other initiatives (EUDAT, EGI, ENVRIplus and VRE4EIC).

Visit the EPOS website to be informed about the outcomes of the event.
