Jan 16
EPOS TCS GNSS Data and Products Workshop, Coimbra (Portugal), 16 - 17 January 2018

Tuesday, January 16, 2018 to Wednesday, January 17, 2018
Location:
Coimbra (Portugal)
The EPOS TCS GNSS (Global Navigation Satellite System) Data and Products' meeting will take place from the 16th to the 17th of January 2018 in Coimbra, Portugal.

During the first day, the current status of EPOS-IP project will be discussed. The second day will be focused on the future EPOS.
In the forthcoming months, more details about the agenda will be disclosed. Visit the EPOS TCS webpage for more details.
