Date:
Tuesday, March 13, 2018 - 11:00
2nd day at the EPOS Implementation and Validation Workshop in Lisbon, (Portugal), (12-14 March 2018) in programme SESSION 2: User Strategy and Training and the EPOS Integrated Core Services hackathon.

The TCS and ICS leaders report on: TCS Status of User Engagement, Contribution to Training plan, User Accountability and Registry, Plans for Dissemination and Exploitation of Results.

The IT team (WP6&7) meet all TCS and provide them guidelines and concepts about the developments to be done (#metadata, #AAAI, etc.).
