

ERRATA CORRIGE

Call for Tender n° 01/2026 Communication Support Activities

EPOS ERIC hereby notifies all interested economic operators that, in relation to Tender No. 1/2026, the distribution of the total evaluation score has been amended as follows.

The maximum total score available through the tender process shall be 100 points, distributed between the technical and financial offers as outlined below.

Evaluation component	Maximum score
Technical Offer	70 points
Financial Offer	30 points
Total	100 points

Awarding Criteria		Points
Technical Criteria 70/100	1) Evaluation of the CV(s) and experience of the Tenderer	30
	2) Experience with the activities to be performed	30
	3) Congruence of the previous services listed with the EPOS framework and the requested services	10
Economic Criteria 30/100	4) Economic Offer (Opening bid/maximum budget of € 25,000.00)	30
Total		100

Accordingly, any different indication contained in the procurement documentation, where inconsistent with the above, shall be deemed amended and replaced by this errata corrige.

This errata corrige shall form an integral part of the tender documentation and shall be read together with all other tender documents.
